

THE ROOTS TITLE CANCELLED

March 16th, 2006 – Prague, Czech Republic:

Cenega Publishing announced today the termination of cooperation with Tannhauser Gate, the developer of The Roots game. This decision has been made on the basis of serious problems that occurred during the development of the game and the project has been cancelled.

We would like to apologize to all the fans of The Roots, who have been patiently, yet eagerly waiting for the release of the game and we hope that the release schedule of Cenega Publishing will provide other interesting game titles for them.
